

Golf! – Golf!! – Golf!!!

Don't let it be said that there aren't any fringe benefits to making an appearance with the Spirit of America Tour.

Of course there are and one of them is golf at a great course! Most of our Military Bases have super courses just waiting for players and they ain't dog tracks. As far North as Alaska and down South to the Gulf there are marvelous golf courses just waiting for tour bus warriors to play their 18 holes.

So, when your artist says, "Book 'em!" about a Military Base show, make sure you remind them to let us know if they want to take in a round of America's favorite sport.

..... And Remember

NO GREENS FEES!!!
